Challenge and Teamwork Lead to Fun at the 2008 Corporate Cup Challenge

Twelve Choice Care Card employees had the privilege of participating in the 25th Annual Vermont Corporate Cup Challenge on a sunny evening in Montpelier on May 15. Composed of three teams of four each, one team of runners and two teams of walkers successfully completed the 5 kilometer route in the beautiful capital of the Green Mountain state.

This fundraising event on behalf of the Governor's Council on Physical Fitness and Sports also reinforced in each of us the benefits of mutual encouragement, fun, and physical fitness. All of us look forward to making this event an annual challenge, and we hope that the values of teamwork, confidence and support shown in Montpelier will continue to be reflected in our work on behalf of our Choice Care Card members and clients.
